CONTRACT PRICE LIST

1919

1920

Norwalk, Ohio, Mar. 8, 1920. 191

U. S. Dept. of Agriculture,

Washington, D. C.

Our Seed is all grown from carefully selected stocks, grown on our own FARMS, and every care is exercised to have these stocks true to type. We are located in one of the best seed growing sections in the country, and our Sweet Corn Seed is free from the usual flintiness of the kernels, owing to the smaller quantities of field corn grown in this district.

CLAUSE

It is mutually understood that we, THE W. C. PRESSING SEED COMPANY, are to undertake growing and contracting sufficient acreage of Seed to ordinarily produce the quantities ordered herewith, and in the event of short or unmerchantable seed crops, the merchantable seed product received from said acreage shall be applied on an equal pro rata basis in filling contract orders, in which event said pro rata deliveries shall be considered satisfactory and release us from further obligations.

THE W. C. PRESSING SEED COMPANY gives the greatest of care to the selection and curing of their seed products but in no way gives a warranty, expressed or implied, as to the description, quality, productiveness or any other matter of any seeds it sends out, and will be in no way responsible for the crop. If the purchaser does not accept the seed on these terms, it is to be returned at once.
